Welcome to Minnesota!!!!!

2016 MFM/FQF Orientation

Please turn off phones
Thanks!
Team Building Session

**Introductions/Ice Breaking**

- Why did you select the University of Minnesota?
- Why are you doing the MFM program?
- What interests you about financial mathematics?
- What is the most interesting or fun thing about being in this program/at this University?
- Describe one thing about yourself that people would not know from your resume or from meeting you for the first time.
Team Building Session

Team Activity

Brainstorm and develop the following:
- A list of 5 items that are crucial for success in the MFM program
- A list of 5 items that are crucial for success in your professional career
- What are the most challenging ones in each category and why?
Team Building Session

Ten Minute Presentations

Prepare for a presentation to the full class

• Each person in the team introduces another team member - tell the class their name and 1 interesting thing about them (5 minutes)

• Two members of the team will present the results of their Team Activity (5-7 minute presentation)
